

THANKS FOR YOUR SUPPORT DURING CAFESMART! WE HAVE JUST HELPED FUND 96 COMMUNITY GRANTS!

Back in August, **CafeSmart** united coffee roasters, cafes and generous coffee lovers across the country. The event raised **\$169,000** and StreetSmart has just distributed these funds to **96 small grassroots charities** that are providing vital services to people at risk of or experiencing homelessness.

“ We’ve seen a drop in donations over the past 18 months so this grant from StreetSmart comes at the right time. We are seeing more people seeking help with basic essentials and any contribution helps us extend our outreach to the vulnerable people in our community. Thank you to everyone who has contributed and made this support possible.

“ Rough Edges has been providing food relief for more people than ever before. This donation from StreetSmart and the cafes and supporters will be directed to our Food Relief program, and will mean we can supplement prepared meals with fresh produce, to ensure that our patrons have access to healthy food options as well as warm drinks and meals.

Jen Webster, Rough Edges, NSW ”
